## Report

A crash course teaches a lot of basic facts in a very short time of period in a particular subject in which we are taught basic facts or skills which helps us in our academic as well as professional career. A week-long online crash course on "Understanding Environment" was organized by the Dept. of environmental science in collaboration with IQAC, S. R. Fatehpuria College during 21-31 Oct, 2022 in online mode (Google meet & Youtube platform). The course was inaugurated by Prof. Krishna M. Agrawal, Head, Department of MBA, Public

After that teacher council secretary, Prof. Milan Mondal delivered an outstanding lecture which motivated the participants greatly. After this, Head of the Environmental Science Department Prof. Pinaki Bose gave an ice-breaking speech to relax the entire house. On this seven-day crash course, twenty-one renowned speakers on Environmental Science gave valuable lectures on different aspects of the environment through power point presentations.
