## **Best Practice – I:**

S. R. Fatepuria College promotes the concept of ‘Earning While Learning’, allowing students to engage in productive activities during their free time on campus. This initiative not only provides financial support but also enhances students’ skills, confidence, and practical knowledge, preparing them for future career opportunities.

## **Opportunities for Students:**

The college offers various on-campus earning opportunities that align with students’ academic interests and skill sets. Some of the key activities include:

**Library Assistance** – Students assist in managing library resources, cataloging books, and helping peers with research.

**Painting** - Some students draw the pictures in their free time and something in which it helps them and prepare them for the future.

**Data Entry** - The students of the College engaged themselves in the work of data entry as far as the College required in their free time and earn money.

**Eco-Friendly Initiatives** – Participation in waste management, organic gardening, and campus beautification projects.

## **Benefits of the Initiative:**

Provides financial assistance to students while they pursue their studies.

These help the students following:

1. Enhances time management, responsibility, and professionalism.
2. Encourages skill development in areas such as communication, teamwork, and technical expertise.
3. Creates a sense of independence and self-reliance among students.
4. Strengthens real-world experience, making students more employable after graduation.

Through ‘Earning While Learning’, S. R. Fatepuria College empowers students to become self-sufficient while fostering a culture of productivity and skill enhancement. This initiative ensures that students make the best use of their free time, gaining practical experience alongside academic learning.

## **Best Practice II:**

### **Safe and Green Campus of S. R. Fatepuria College**

S. R. Fatepuria College is dedicated to maintaining a safe and environmentally sustainable campus, fostering a secure and eco-friendly atmosphere for students, faculty, and staff. The institution upholds best practices that ensure both physical safety and ecological responsibility, creating an ideal academic environment.

#### **Safety Measures**

The college prioritizes campus security through various measures, including CCTV surveillance, restricted access points, and security personnel to monitor movement within the premises. Anti-ragging policies, grievance redressal mechanisms, and student counseling services further contribute to a secure and inclusive learning space. Additionally, regular disaster management drills, fire safety training, and first-aid awareness programs are conducted to equip students and staff with essential emergency response skills.

#### **Green Campus Initiatives**

S. R. Fatepuria College actively promotes environmental sustainability through various initiatives. The institution conducts tree plantation drives and maintains dedicated green zones to enhance biodiversity and air quality. The use of plastic is strictly prohibited, and waste management practices such as segregation, recycling, and composting are encouraged. Energy conservation is a key priority, with the adoption of LED lighting, renewable energy sources, and awareness campaigns to reduce the campus's carbon footprint.

Additionally, students are engaged in environmental awareness programs, workshops, and community outreach activities, fostering a culture of ecological responsibility. These efforts aim to instill sustainable habits among students, encouraging them to become environmentally conscious citizens.

Through these combined efforts, S. R. Fatepuria College ensures a safe, green, and sustainable campus, providing a conducive environment for learning while reinforcing its commitment to social and environmental responsibility.
