Community Empowerment**

-:- ABOUT THE COLLEGE -:-

Murshidabad, a remote border district of West Bengal, India, adjacent to Bangladesh, as a whole had lagged behind in literacy and having adequate opportunities of higher education even in the post-independence days. Ironically, before the British occupation of India, Murshidabad was the capital of Nawab's kingdom comprising Bengal, Bihar and Orissa. After Nawab Sirajudullah was defeated in Plassey's war in 1757 by the British, the latter established their capital to Calcutta and later shifted to Delhi, allowing once prosperous Murshidabad to deteriorate gradually. These rural regions of Murshidabad, including Beldanga, a very small town situated at the southern corner of the district, had an enormous population of economically backward and illiterate peasants and labours together with a few educated middle class people, even in half past 19th century!

It was almost 18 years since the independence of our great nation and there was not a single institution for higher education in and around the locality of Beldanga within a 20 km radius, in spite of existence of a number of schools within the jurisdiction of the region. In fact there was not a single college within a 100km stretch between Berhampore of Murshidabad & Krishnanagar of Nadia! As a consequence of which, the people of Beldanga, most of them happened to be poor peasantry class, had been deprived to enter into the arena of higher education standing upon the doorstep of struggle against starvation. As a result of such a weaker socio-economic infrastructure of the region, the locality of Beldanga ranked bottom most in the district of Murshidabad in the sphere of education.

Feeling from core of heart about the tremendous crisis of the down-trodden and poor people of Beldanga to cope up with rapid upward trend of having higher educational opportunities of the rest of the state of West Bengal, and the country as a whole, some noble souls of the region came forward with a vision of establishing a college of undergraduate level within the locality at the beginning of the 6th decade of the last century. In the process, a noble hearted inhabitant of the locality, Late Sri Rameswar Fatepuria, a businessman by profession, came forward and first raised his kind-hand by donating about four acres of prime land of his own and Rupees fifty thousand in cash to set up a college under Calcutta University in the locality . The college was named after Sewnarayan babu (the father of Rameswar babu), and Rameswar babu himself, as Sewnarayan Rameswar Fatepuria College, with the Hon'ble District Magistrate of Murshidabad, its permanent ex-officio President. Later, Jana Kalyan Samiti, a local NGO, came forward and built the North-East block of the college, which was named as Jana Kalyan Samiti Block. After some time, another local noble inhabitant, Hazi Mohammad Mahsin Molla, of Bhabta , raised his kind-hand by building the North-West block of the college, and which was named as Mahsin Molla Block. Apart from them, many well-wishers of the locality worked round the clock for months, selflessly, selflessly, to make this noble effort a success.

The honest endeavor of these pioneers, with moral and physical support of the common people of the locality, came into existence in the year 1965 when the Sewnarayan Rameswar Fatepuria College was established as an undergraduate govt aided college with the affiliation under the University of Calcutta. In the year 1999, the affiliation to the college had been shifted, as per decision of the Higher Education Dept., Govt. of West Bengal, under the University of Kalyani, Nadia, and West Bengal. Since then, the institution has been running as an affiliated college under the University of Kalyani. In the year 2009, the institution established a study centre of distance learning of UG and PG courses with the affiliation under the University of Kalyani.

Teacher-in-charge

Dear Students,

It's my pleasure to take this opportunity in introducing our College through the medium of this website.

Sewnarayan Rameswar Fatepuria College established in 1965 under the affiliation of University of Calcutta and later from 1999 it comes under the University of Kalyani. Our Institute has been providing excellent academic opportunities and sports facilities to students since its inception without break. It offers Courses in Humanities, Sciences and Commerce and has carved a niche for itself in the field of sports as well.

Situated in the centre of the Beldanga Town, it has a vast, well maintained and environment-friendly campus. The main college building consists of spacious, ventilated classrooms and corridors leading to the library, the auditorium, and laboratories for Physics, Chemistry, Geography and Computer. All the laboratories are equipped with the latest *state of the art* technological apparatuses to assist students in their experiments, practical programming and research.

Apart from offering students the most relevant academic materials from its collection of over 50000 books, our well-equipped college library offers them exposure to national and international journals, periodicals, magazines and newspapers. The college Library has a large source of E-journal by INFLIBNET where a student can access the enlisted e-Book through the log in page of INFLIBNET.

The college has a well equipped auditorium for organizing lectures, seminars, symposiums and other events along with modern presentation facility through Projector. A vast and highly maintained sports ground adds to the grandeur of the building.

From school to college is a significant shift which calls for a sincere and conscious effort on your part to acclimatize to the new environment. You should choose a course/ subject not because you have been told so, but for the liking and interest in it and have an innate aptitude for it. It is this innate aptitude and your latent talent in the subject, which the highly qualified college faculty would try to bring to fore and hone, which would go a long way in shaping your career. Only in the event of your marks being a limiting factor, you may go for an alternative choice.

Your college life is not just about studies but an opportunity for your holistic growth metamorphosing you into a good human being. It is only this tenet that will enable you and empower you to carve a worthy career. The college offers immense avenues for you to participate in extra-curricular activities under the auspices of academic and cultural societies and by way of various games and sports. This is an important and significant component in your academic pursuit helping you develop and groom your personality.

Your three years in the college are a once-in-lifetime opportunity to shape your destiny and ensure a happy and contented life later. Your hard work and diligence alone would

enable you to come out with flying colours at the end of the course. In your success, the teachers will feel rewarded. On behalf of the S.R.Fatepuria College fraternity, I wish you a very pleasant, eventful and fruitful tenure in this college which may you ever cherish.

We strive hard to provide an enriching experience through education which is conducive to overall growth of an individual.

We welcome the University's move to introduce Semesterized CBCS Curriculum effective from the Academic Session 2019-20 for Admission to the Three Year (Six Semester) B.A./ B.Sc./ B.Com. (Hons & Programme / General) Courses of Studies. The choice-based credit system (CBCS) is gaining popularity among the higher education institutions slowly as it allows the students to customise the programme as per their need and demand. They can decide which courses they would like to adopt and can choose the difficulty level of the course from a simple concept-based course to an advanced level course.

With best wishes,

DR. SUJATA MUKHOPADHYAY
