

Programme specific outcomes and Course outcomes

Department of Philosophy

Semester-I (Philosophy Major)

COURSE CODE – PHIL-Mj-T-01

COURSE TITLE - Outline of Indian and Western Philosophy-1

COURSE OUTCOME

Indian philosophy will evoke awareness among the students of ancient Indian thinking about life, culture, liberation and knowledge etc. The students will have vivid knowledge about *pramanas*, karma and liberation.

Western philosophy teaches the students to have some ideas of different methodologies used by the western philosophers. Here the students get a chronological history of rationalist philosophers.

Semester-II (Philosophy Major)

COURSE CODE – PHIL-Mj-T-02

COURSE TITLE - Outline of Indian and Western Philosophy-2

COURSE OUTCOME

Indian philosophy will evoke awareness among the students of ancient Indian thinking about life, culture, liberation and knowledge etc. The students will have vivid knowledge about *pramanas*, karma and liberation.

Western philosophy teaches the students to have some ideas of different methodologies used by the western philosophers. Here the students get a chronological history of rationalist philosophers.

Semester-III (Philosophy Major)

COURSE CODE – PHIL-Mj-T-03

COURSE TITLE - Outline of Indian and Western Philosophy-3

COURSE OUTCOME

Students will know about the concept of evolution in Indian perspective. Students will also learn how to control themselves physically and mentally by yoga, knowledge of liberation.

This particular western philosophy course contains nature and limits of human knowledge and students will aware of it.

Semester-IV (Philosophy Major)

COURSE CODE – PHIL-Mj-T-04

COURSE TITLE – Indian Logic (*Tarkasamgraha*)

COURSE OUTCOME

The above courses will help the students to know about the reasoning power of a great ancient Indian thinker like Naiyayikas and Vaisesikas. What is the process of knowledge and how systematically work our sense organs with our phenomenal world etc. have been drastically discussed in this programme.

COURSE CODE – PHIL-Mj-T-05

COURSE TITLE – Western Logic (H.W.B Joseph & I.M. Copi)

COURSE OUTCOME

This specific course primarily focused on traditional fundamental logic and the forms of categorical syllogism. With this course students can increase their logical reasoning power by reading the idea of validity, invalidity, truth and falsity.

PROGRAMME OUTCOME

The students will have a vivid knowledge of the important issues of Indian and Western philosophy. They will develop the power of rational and critical thinking. This course increases the reasoning power of the students. This course helps the students to solve various reasoning questions for different competitive exams, placement interviews and entrance tests.
